January 2019

Dear Community Business Owners,

For the last several decades, Burnt Hills-Ballston Lake Junior Baseball has had the privilege of teaching thousands of kids the sport of baseball. From the tee-ball fields to the annual Cooperstown trip, our kids have the opportunity to learn not only the sport of baseball but leadership and team building skills, which continue long past their experiences on the field and in the dugout. We could not have provided these experiences and life-long skills without the support of our local business owners.

Each year we are considered one of the top leagues in the Capital Region. We are reaching out to you now to offer you the opportunity to help us continue this tradition. We cannot do it without your support. The money that we raise goes toward basic field maintenance, medical necessities such as an AED device, uniforms and other necessary equipment. As you can see on the attached form, there are many ways that you can support our kids. The best part is that your business will benefit too! If you have ever been to the park on a Saturday in the spring or fall, you know that there are hundreds of people in attendance at numerous games, on multiple fields. Your sponsorship/business name could be seen by each one of those local families who are truly thankful for their child's experience that you are helping support.

The BH-BL Jr. Baseball Commission would like to thank you for your time and commitment to the children of our community.

Sincerely,

Fred Veronezi  
*President of the BH-BL Jr. Baseball League*
