

BHBL Junior Baseball 2021 Guidelines

Please remember the goal is for the kids to have a fun, safe season. These guidelines were developed by the BHBL Junior Baseball Committee and approved by the BHBL Junior Baseball Board.

- Social distancing and Masks
 - This will no longer be required
 - Dugouts may be used
 - Temperature Checks no longer required
 - Players and/or coaches may still choose to wear a mask at their own comfort level
 - The fencing and bleacher placement will remain the same for now to provide additional space should a player decide to use it.
 - This will be redesigned at the end of the regular season (approximately 6/19/2021)
- COVID 19 testing protocols
 - If anyone in your household receives a positive COVID-19 test result, all members of the household will refrain from practice, games and defer to the local DOH.
 - If a team member is awaiting results, the player will refrain from practicing until results are received
 - If a team member receives positive tests results, play will immediately suspend and the team will defer to the local DOH
- Other
 - If a player and/or coach is not feeling well, please stay home.
 - Hand sanitizer station will be in each dugout and located around the facility.
 - All surfaces in the dugout will be sanitized before and after the games by Coaches or Safety Committee.
 - Bathroom facilities will be disinfected before and after the games by Coaches or Safety Committee.
 - If a second game is being played on the same field in a day, everyone from the first game must leave before allowing players and spectators into the field area.
 - Travel BHBL baseball teams will adhere to all rules put forth by opposing team(s) when traveling.
- Return to play rules issued by ESBL need to be reviewed by teams playing in ESBL.
- Return to play rules issued by ENYTB need to be reviewed by teams playing in ENYTB.
- All of the guidelines are subject to change, at any time based, on directions from local and state health officials
